Press Release

Győr, 20 November 2018

Cooperation between the Hungarian Defence Forces and Rába continues

The Ministry of Defence and Rába Vehicle Ltd. renewed a framework contract to extend the Vehicle Procurement Program of 15 years until 2026.

According to the framework contract to continue the Vehicle Procurement Program between 2018 and 2026, Rába Vehicle Ltd. supplies the customer with off-road vehicles tailored to the needs of the Hungarian Defence Forces, which have already gained recognition in previous cooperations. The diverse military vehicles, named the H-family, developed and manufactured by Rába support the long-term development of the fleet of the Hungarian Defence Forces.

Under the framework contract there are no preset procurement obligations, the quantities to be supplied will be determined by the Ministry of Defence according to the schedule of the development of the defence forces. The extension of the Vehicle Procurement Program ensures that the Hungarian Defence Forces continue to fulfil their duties with the help of NATO-compatible, state-of-the-art military vehicles.
