

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Magyar Telekom Plc.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Magyar Telekom Plc. and its subsidiaries (the „Group”) for the year 2022 included in the digital files 529900CA1YDA41X76751-2022-12-31-en (6).zip¹, which comprise the consolidated statement of financial position as at December 31, 2022 – which shows a total assets of mHUF 1,456,417 –, and the related consolidated statement of profit or loss and other comprehensive income – which shows a total comprehensive income for the year of mHUF 75,902 –, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended and notes to the consolidated financial statements including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at December 31, 2022 and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union (the „EU IFRS”), and the consolidated financial statements were prepared in all material respects in accordance with the provisions of the effective Hungarian Act C of 2000 on Accounting (the „Accounting Act”) relevant to the entities preparing consolidated financial statements in accordance with EU IFRS.

Basis for Opinion

We conducted our audit in accordance with the Hungarian National Standards on Auditing and the effective Hungarian laws and other regulations on audits. Our responsibilities under these standards are further described in the "*The Auditor's Responsibilities for the Audit of the Consolidated Financial Statements*" section of our report.

We are independent of the Group in compliance with the relevant effective Hungarian regulations and the “Rules of conduct (ethical rules) of the auditor profession and the disciplinary process” of the Chamber of Hungarian Auditors and, in respect of matters not regulated therein, the Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (the IESBA Code) and we have fulfilled our other ethical responsibilities in accordance with the same ethical requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the matter
Valuation of goodwill	
<p>(See notes 3.2 and 10.4. to the consolidated financial statements for the details)</p> <p>As described in the notes to the consolidated financial statements, the Group reported goodwill in the amount of mHUF 212,713 as at 31 December 2022.</p> <p>As required by the applicable accounting standards, Management conducts regular impairment test to assess whether there is a need to record impairment with respect to the goodwill. Management applies the discounted cash flows (DCF) method to determine the recoverable amount. The assumptions used in the DCF method (such as the discount rates applied) requires application of professional judgement and use of subjective assumptions by Management.</p> <p>Accordingly, the valuation of goodwill is considered a key audit matter.</p>	<p>Our response as auditors included:</p> <ul style="list-style-type: none"> - evaluating the design and implementation of key controls related to determination of recoverable amount, - assessing the key market related assumptions in the Group’s valuation models against budgets approved by Management and external sources. Evaluating Management’s estimation method by back-testing prior period’s estimates, - involving valuation experts to assist us in re-performing the calculation of weighted average cost of capital (WACC) and independently assessing the appropriateness of the assumptions and methodologies used, - assessing the adequacy of relevant accounting standards, related journal entries and disclosures in the consolidated financial statements.

Revenue recognition	
<p>(See notes 3.4, 18 and 18.4. to the consolidated financial statements for the details)</p> <p>As described in the notes to the consolidated financial statements, the reported revenue from contracts with customers is mHUF 738,827, whereby the net position of contract assets and liabilities is mHUF 8,988 for the year ended December 31, 2022.</p> <p>Management records revenue according to the principles of IFRS 15, Revenue from Contracts with Customers, including following the five-step model therein. Under IFRS 15, Management must determine if there are separate performance obligations for the services and goods the Group provides to customers and assign standalone selling price thereto.</p> <p>The accuracy of revenue recognition from contracts with customers is considered a key audit matter, as it requires application of professional judgement and use of subjective assumptions by Management.</p>	<p>The relevant audit procedures performed by us included the following:</p> <ul style="list-style-type: none"> - evaluating the design and implementation and testing of the operating effectiveness of internal controls over accuracy of revenue from contracts with customers, - evaluating the relevant IT systems, - performing substantive analytical procedures over the relevant revenue accounts, - performing sample-based detailed testing and recalculating the contract assets and liabilities on portfolio basis, - assessing the adequacy of the relevant accounting standards, the recognition, and disclosures in the consolidated financial statements.

Other Matters

The consolidated financial statements of the previous year were audited by another auditor. The auditors' report issued on March 8, 2022, included an unqualified opinion.

Other Information

Other information comprises the information included in the "Management report" and the consolidated business report of the Group for 2022, but does not include the consolidated financial statements and our auditor's report thereon. Management is responsible for the other information and for the preparation of the consolidated business report in accordance with the relevant provisions of the Accounting Act and other regulations. Our opinion on the consolidated financial statements provided in the section of our independent auditor's report entitled "*Opinion*" does not apply to the other information.

Our responsibility in connection with our audit of the consolidated financial statements is to read the consolidated business report and, in doing so, consider whether the consolidated business report is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Furthermore, in accordance with the Accounting Act, our responsibilities also include assessing whether the consolidated business report was prepared in accordance with the relevant provisions of the Accounting

Act and other regulations, and to express an opinion on the above and on whether the consolidated business report is consistent with the consolidated financial statements. Furthermore, in accordance with the Accounting Act we shall make a statement whether the consolidated business report contains the non-financial statement provided for in Section 134. (5).

In fulfilling this obligation, for the purpose of formulating our opinion on the consolidated business report we considered Commission Regulation (EU) 2019/815 of 17 December 2018 ("ESEF Regulation") as other regulation stipulating additional requirements pertaining to consolidated business reports.

In our opinion, the consolidated business report the Group for 2022 corresponds to the consolidated financial statements of the Group for 2022 and the relevant provisions of the Accounting Act in all material respects. The business report contains the non-financial statement provided for in Section 134. (5) of the Accounting Act. As the Group is not subject to additional requirements under any other regulation in connection with the consolidated business report, we have not formulated an opinion on this matter.

In addition to the above, based on the information obtained about the Group and its environment, we must report on whether we became aware of any material misstatements in the consolidated business report and, if so, on the nature of such material misstatements. We have nothing to report in this regard

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation of consolidated financial statements that give a true and fair view in accordance with EU IFRSs and for the preparation of the consolidated financial statements in accordance with provisions of the Accounting Act relevant to entities preparing financial statements in accordance with EU IFRSs, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

The auditor's responsibilities for the audit of the consolidated financial statements

Our objectives during the audit are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue, on the basis of the above, an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Hungarian National Standards on Auditing and the effective Hungarian laws and other regulations on audits will always detect a material misstatement when it exists. Misstatements can arise from fraud or error, and they are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Hungarian National Standards on Auditing and the effective Hungarian laws and other regulations on audits, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the Group's internal control that we identify during the audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In compliance with Article 10 (2) of Regulation (EU) No. 537/2014 of the European Parliament and the Council, we provide the following information in our independent auditor's report, which is required in addition to the requirements of International Standards on Auditing:

Appointment of the Auditor and the Period of Engagement

We were appointed as the auditors of the Magyar Telekom Plc. by the General Meeting of Shareholders on April 12, 2022, and our uninterrupted engagement has lasted since our appointment.

Consistence with the Additional Report to the Audit Committee

We confirm that our audit opinion on the consolidated financial statements expressed herein is consistent with the additional report to the Audit Committee of the Magyar Telekom Plc., which we issued on March 8, 2023, in accordance with Article 11 of Regulation (EU) No. 537/2014 of the European Parliament and the Council.

Provision of Non-audit Services

We declare that no prohibited non-audit services referred to in Article 5 (1) of Regulation (EU) No. 537/2014 of the European Parliament and the Council were provided by us to the Group. In addition, there are no other non-audit services which were provided by us to the Magyar Telekom Plc. and its controlled undertakings, and which have not been disclosed in the consolidated financial statements.

The engagement partners on the audit resulting in this independent auditor's report is the signatory of the report.

Report on compliance of the presentation of consolidated financial statements with the requirements set out in the regulation on the single electronic reporting format

We have undertaken a reasonable assurance engagement on compliance of the presentation of consolidated financial statements of the Group included in the digital files 529900CA1YDA41X76751-2022-12-31-en (6).zip („ESEF format consolidated financial statements”) with the requirements set out in Commission Delegated Regulation (EU) 2019/815 of 17 December 2018 supplementing Directive 2004/109/EC of the European Parliament and of the Council with regard to regulatory technical standards on the specification of a single electronic reporting format. („ESEF Regulation”).

Responsibilities of Management and Those Charged with Governance for ESEF format consolidated financial statements

The management is responsible for the presentation of the ESEF format consolidated financial statements in accordance with the ESEF Regulation. This responsibility includes:

- the preparation of the consolidated financial statements in XHTML format;
- the selection and application of appropriate iXBRL tags using judgement where necessary; including full application of relevant tags and proper creation and anchoring of extension elements; and
- the design, implementation and maintenance of internal controls relevant to the application of the ESEF Regulation.

Those charged with governance are responsible for overseeing the Group's financial reporting process, including compliance with the ESEF Regulation.

Our responsibility and summary of the work performed

Our responsibility is to express an opinion on whether, in all material respects, the presentation of ESEF format consolidated financial statements complies with the ESEF Regulation, based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with the Hungarian National Standard on Assurance Engagements (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information (ISAE 3000).

A reasonable assurance engagement in accordance with ISAE 3000 involves performing procedures to obtain evidence about compliance with the ESEF Regulation. The nature, timing and extent of procedures selected depend on the practitioner's judgment, including the assessment of the risks of material departures from the requirements set out in the ESEF Regulations, whether due to fraud or error. Our reasonable assurance engagement included obtaining an understanding of tagging, obtaining an understanding of the internal controls relevant for the application of the ESEF Regulation, checking the appropriateness of Group's use of the XHTML format, evaluating the completeness of Company's tagging of the consolidated financial statements using the XBRL markup language, evaluating the appropriateness of Group's use of iXBRL elements selected from the ESEF taxonomy and the creation of extension elements and evaluating the use of anchoring in relation to the extension elements.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the ESEF format consolidated financial statements of the Group for the year ended December 31, 2022 included in the digital files 529900CA1YDA41X76751-2022-12-31-en (6).zip, is presented, in all material respects, in compliance with the requirements of the ESEF Regulation.
