

INDEPENDENT AUDITOR'S REPORT
(Free translation)

To the shareholders of Waberer's International Nyrt.

Report on the audit of the consolidated financial statements

Opinion

We have audited the consolidated financial statements of Waberer's International Nyrt. (the "Company") and its subsidiaries (together the "Group") included in the digital file 5493006YOYPOSXPIQG40-2023-12-31-hu.zip (SHA 256 HASH algorithm value: DC0762ED541398A7E571004239FCB0E78B6BE611C71797A30BC12D57D81400CA) for the financial year ended on 31 December 2023 which comprise the consolidated statement of financial position as at 31 December 2023 (in which total assets equal to total liabilities and equity are TEUR 703,562), the consolidated statement of comprehensive income (in which the total comprehensive income is TEUR 44,304 profit), the consolidated statement of changes in equity, the consolidated cash flows statement for the financial year then ended and the notes to the consolidated financial statements comprising material accounting policy information and other explanatory information.

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 December 2023, and of its consolidated financial performance and its consolidated cash flows for the financial year then ended in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union ("EU") and they have been prepared, in all material respects, in accordance with the supplementary requirements of Act C of 2000 on Accounting ("Accounting Act") relevant for the consolidated annual financial statements prepared in accordance with IFRS as adopted by the EU.

Our opinion is consistent with our additional report to the audit committee dated 20 March 2024.

Basis for opinion

We conducted our audit in accordance with Hungarian National Standards on Auditing ("HNSA") and with applicable laws and regulations in force in Hungary. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the consolidated financial statements" section of our report.

We are independent of the Group in accordance with the applicable laws of Hungary, with the Hungarian Chamber of Auditors' Rules on ethics and professional conduct of auditors and on disciplinary process and, for matters not regulated in the Rules, with the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (IESBA Code) and we also comply with further ethical requirements set out in these.

The non-audit services that we have provided to the Company and its controlled entities within the EU in the period from 1 January 2023 to 31 December 2023 are disclosed in note 43 to the consolidated financial statements.

To the best of our knowledge and belief, we declare that non-audit services that we have provided to the Company and its controlled entities within the EU are in accordance with the applicable laws and regulations in Hungary and that we have not provided non-audit services that are prohibited under Article 5 of Regulation of the European Parliament and Committee No 537/2014 and Subsection (1) and (2) of Section 67/A of Act LXXV of 2007 on the Chamber of Hungarian Auditors, the Activities of Auditors, and on the Public Oversight of Auditors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our audit approach

Overview

<i>Overall group materiality</i>	Overall group materiality applied was TEUR 2,389
<i>Group Scoping</i>	In addition to the parent company Waberer's International Nyrt., we included four subsidiaries in our audit, WSZL Szállítványozási és Logisztikai Kft., Nexways Cargo Kft., Gránit Biztosító Zrt. and LINK Sp. z.o.o which are operating in two countries Hungary and Poland respectively. These five companies represent 95% of the consolidated revenue and 96% of the consolidated EBITDA.
<i>Key Audit Matters</i>	<ul style="list-style-type: none">● Goodwill impairment assessment● Revenue recognition in the correct period

As part of designing our audit, we determined materiality and assessed the risks of material misstatement in the consolidated financial statements. In particular, we considered where management made subjective judgements; for example, in respect of significant accounting estimates that involved making assumptions and considering future events that are inherently uncertain. As in all of our audits, we also addressed the risk of management override of internal controls, including among other matters, consideration of whether there was evidence of bias that represented a risk of material misstatement due to fraud.

Materiality

The scope of our audit was influenced by our application of materiality. An audit is designed to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement. Misstatements may arise due to fraud or error. They are considered material if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the consolidated financial statements.

Based on our professional judgement, we determined certain quantitative thresholds for materiality, including the overall materiality for the consolidated financial statements as a whole as set out in the table below. These, together with qualitative considerations, helped us to determine the scope of our audit and the nature, timing and extent of our audit procedures and to evaluate the effect of misstatements, if any, both individually and in aggregate on the consolidated financial statements as a whole.

<i>Materiality</i>	TEUR 2,389
<i>Determination</i>	2.5% of the consolidated EBITDA
<i>Rationale for the materiality benchmark applied</i>	We chose consolidated EBITDA (earnings before taxes, net financial results, depreciation and amortization and expected credit losses on bonds) as the benchmark because, in our view, it is the benchmark against which the performance of the Group is most commonly measured by users, and it is a generally accepted benchmark. We chose 2.5%, which is consistent with quantitative materiality thresholds used for profit-oriented companies in this sector.

Group audit scope

We tailored the scope of our audit in order to perform sufficient work to enable us to provide an opinion on the consolidated financial statements as a whole, taking into account the structure of the Group, the accounting processes and controls, and the industry in which the Group operates.

We have identified 4 subsidiaries, which, in our view, required an audit of their complete financial information, due to their financial significance or risk to the Group. Those reporting components are operating in Hungary and Poland.

For the remaining components we performed analytical review on Group level. This together with additional procedures performed at the Group level, including testing of consolidation journals and intercompany eliminations, gave us the evidence we needed for our opinion on the Group financial statements as a whole.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters

How our audit addressed the key audit matters

Goodwill impairment assessment

The Group's Goodwill amounts to EUR 17,900 thousand as at 31 December 2023 in the consolidated financial statements.

Impairment assessment involves significant estimates that are sensitive to changes in assumptions in particular the input variables, discount rate and assumptions underlying future operating cash flows.

Management concluded that there was no need for impairment of goodwill.

Details of the nature of the goodwill impairment assessment performed by management are given in notes 3. e) Intangible assets and 6. a) Goodwill to the consolidated financial statements.

We agreed the cash-flow forecasts used in the impairment assessment to forecasts approved by the board of directors. We considered management's expectations in respect of material impacts of the external environment and planned operational improvements and whether these were appropriately reflected in the cash flow forecasts.

We compared actual historical cash-flow performance with forecasts and determined whether any differences fell within an acceptable range.

We independently calculated the weighted average cost of capital with reference to market data.

We assessed the sufficiency of the sensitivity analysis performed by management and performed further sensitivity analysis primarily focusing on changes in operating cash-flows.

We read the notes 3. e) Intangible assets and 6. a) Goodwill of the consolidated financial statements in order to assess whether they are in line with the requirements of *IAS 1 Presentation of financial statements* and *IAS 36 Impairment of assets*.

Revenue recognition in the correct period

The Group's revenue from customer contracts in 2023 is EUR 710,909 thousand, therefore it is significant from the point of view of the consolidated financial statements.

Revenue is recognized when the criteria of the 5-step model according to *IFRS 15 Revenue from Customer Contracts* are met. The Group considers sales revenue as a key performance indicator, which can encourage sales revenue to be accounted for before the criteria of the above 5-step model are met.

Our audit procedures included, among others the understanding the process of revenue recognition. In addition, we tested the correspondence of the revenue recognised in the current year with the issued invoices and the financial consideration received, and that the criteria of the 5-step model according to *IFRS 15 Revenue from Customer Contracts* are met.

We tested on a sample basis the open claims against the customers at the balance sheet date.

In order to assess whether the revenue was recorded in the correct period, we tested transactions before and after the period end date and credit notes issued after the balance sheet date on a sample basis.

Based on the above, we considered the recognition of revenue in the correct period to be a key audit matter.

The Group presents the information related to revenue in notes 3 (k) Revenues, 5. Segment information and 22. Revenue of the financial statement.

Furthermore, we examined whether the Group properly discloses the information related to revenue in the consolidated financial statements in accordance with *IFRS 15 Revenue from Customer Contracts* standard.

Other information: the consolidated business report (consolidated management report)

Other information comprises the consolidated business report (which is stated as consolidated management report in the annual report) of the Group for the financial year ended on 31 December 2023. Management is responsible for the preparation of the consolidated business report in accordance with the provisions of the Accounting Act and other relevant regulations, and for the preparation of the annual report in accordance with Act CXX. of 2001 on Capital Market. Our opinion on the consolidated financial statements does not cover the consolidated business report or the annual report.

In connection with our audit of the consolidated financial statements, our responsibility is to read the consolidated business report and the annual report and, in doing so, consider whether the consolidated business report and the annual report is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on our work performed we conclude that the consolidated business report and the annual report is materially misstated, we are required to report this fact, and based on the Accounting Act, also the nature of the misstatement.

Based on the Accounting Act, it is also our responsibility to consider whether the consolidated business report has been prepared in accordance with the provisions of the Accounting Act and other relevant regulations, if any, and to express an opinion on this and on whether the consolidated business report is consistent with the consolidated financial statements.

Because the Company's transferable securities are admitted to trading on a regulated market of a Member State of the European Economic Area, our opinion on the consolidated business report shall cover the information prepared under Paragraphs e) and f) of Subsection (2) of Section 95/B, and state whether the information referred to in Paragraphs a)-d), g) and h) of Subsection (2) of Section 95/B of the Accounting Act has been provided.

As the Company is a public interest entity preparing consolidated financial statements and the conditions in Paragraph a) and b) of Subsection (5) of Section 134 of the Accounting Act are met at the balance sheet date, the Company shall publish a non-financial statement required by Section 95/C and Section 134 in its consolidated business report relating to the companies included in the consolidation. In this respect, we shall state whether the consolidated business report includes the non-financial statement required by Section 95/C, and Section 134.

In the course of fulfilling our obligation, in respect of forming our opinion on the consolidated business report we have considered the requirements set out in the Commission Delegated Regulation (EU) 2019/815 of 17 December 2018 on Supplementing Directive 2004/109/EC of the European Parliament and of the Council with regard to regulatory technical standards on the specification of a

single electronic reporting format (“ESEF Regulation”) as the regulation prescribing further requirements for the consolidated business report.

In our opinion, regarding the financial year ended on 31 December 2023, the consolidated business report, also including the information prepared under Paragraphs e) and f) of Subsection (2) of Section 95/B, and the annual report of the Group is consistent, in all material respects, with the consolidated financial statements for the financial year ended on 31 December 2023, and the consolidated business report has been prepared in accordance with the provisions of the Accounting Act and the other relevant regulation referred to above.

We are not aware of any other material inconsistency or material misstatement in the consolidated business report and the annual report and therefore we have nothing to report in this respect.

We state that the information referred to in Paragraphs a)-d), g) and h) of Subsection (2) of Section 95/B of the Accounting Act has been provided. The consolidated business report includes the non-financial statement required by Section 95/C, and Section 134.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with IFRS as adopted by the EU and to prepare the consolidated financial statements in accordance with the supplementary requirements of the Accounting Act relevant for the consolidated annual financial statements prepared in accordance with IFRS as adopted by the EU, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group’s financial reporting process.

Auditor’s responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HNSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HNSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for

our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that gives a true and fair view.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

Appointment

We were first appointed as auditors of the Group on 8 April 2022. Our appointment has been renewed annually by shareholders' resolutions representing a total period of uninterrupted engagement appointment of 2 years.

The engagement partner on the audit resulting in this independent auditor's report is Mészáros Balázs Árpád.

Report on the compliance of the presentation of the consolidated financial statements with the requirements of the regulation on the European single electronic format

We have undertaken a reasonable assurance engagement on the compliance of the presentation of the consolidated financial statements of the Group included in the digital file 5493006YOYPOSXPIQG40-2023-12-31-hu.zip (“consolidated financial statements in ESEF format”) with the requirements set out in the ESEF Regulation.

Responsibilities of the management and those charged with governance for the consolidated financial statements in ESEF format

The management is responsible for the presentation of the consolidated financial statements in ESEF format that comply with the ESEF Regulation. This responsibility includes:

- the preparation of the consolidated financial statements in the applicable XHTML format;
- the selection and application of appropriate iXBRL tags as required by ESEF Regulation using judgement where necessary, including the full application of relevant tags and the proper creation and linking of extension elements; and
- the design, implementation and maintenance of internal control relevant to the application of the ESEF Regulation.

Those charged with governance are responsible for overseeing the Group’s financial reporting process including compliance with the ESEF Regulation.

Our responsibility and summary of the work performed

Our responsibility is to express an opinion on whether the presentation of the consolidated financial statements in ESEF format complies, in all material respect, with the requirements of the ESEF Regulation based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with Hungarian National Standard on Assurance Engagements 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information (ISAE 3000).

A reasonable assurance engagement in accordance with ISAE 3000 involves performing procedures to obtain evidence about compliance with the ESEF Regulation. The nature, timing and extent of procedures selected depend on the auditor’s judgement, including the assessment of the risks of material departures from the requirements set out in the ESEF Regulation whether due to fraud or error. Our reasonable assurance engagement included obtaining an understanding of the tagging, obtaining an understanding of the Group’s internal controls relevant to the application of the requirements of the ESEF Regulation, and verifying whether the XHTML format was applied properly, evaluating the completeness of the Group’s tagging of the consolidated financial statements using the XBRL markup language, evaluating the appropriateness of the Group’s use of iXBRL elements selected from the ESEF taxonomy and the creation of extension elements where no suitable element in the ESEF taxonomy has been identified and evaluating the use of anchoring in relation to the extension elements.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the presentation of the consolidated financial statements in ESEF format of the Group's for the financial year ended 31 December 2023 included in the digital file 5493006YOYPOSXPIQG40-2023-12-31-hu.zip complies, in all material respects, with the requirements of the ESEF Regulation.
