

Extraordinary Announcement

AKKO Invest Plc. (registered office: 1117 Budapest, Szerémi út 4.; hereinafter referred to as the "**Company**") hereby fulfils its disclosure obligations pursuant to Act CXX of 2001 on Capital Markets (hereinafter referred to as the "**Act**"):

Based on the authorization granted under General Meeting Resolution No. 10/2026 (IV.23.), today the Board of Directors of the Company has decided to increase the share capital of the Company through the issuance of new shares as follows:

1. The Company shall issue a total of 998.503 new dematerialised, registered series "D" shares with a nominal value of HUF 100 per share, which will not be admitted to trading on a regulated market or on any other trading venue. In view of the fact that the nominal value of HUF 100 per share is four times the nominal value of HUF 25 per share of the series "C" ordinary shares, the issue price per share is four times the volume-weighted average market price of the Company's series "C" shares traded on the Budapest Stock Exchange during the trading days of the period from 7 October 2025 to 1 October 2026 (360 days), meaning that the issue price is four times HUF 250,3748 per share.
2. The share capital increase will be carried out in exchange for cash contributions.
3. The Board of Directors appointed MEVINVEST Vagyonkezelő Korlátolt Felelősségű Társaság (registered seat: 1097 Budapest, Albert Flórián út 10.; company registration number: 01-09-202406; hereinafter referred to as "**MEVINVEST**") to carry out the share capital increase in the amount maximum of HUF 1.000.000.000 and to fully subscribe for all of the new shares to be issued. MEVINVEST has provided a prior binding declaration of commitment for this purpose.
4. Pursuant to Section 3:297 (2) of Act V of 2013 on the Civil Code (hereinafter: the "Civil Code"), the pre-emptive subscription rights of the Company's shareholders regarding the acquisition of the shares have been excluded by the Board of Directors—based on the authorization granted under General Meeting Resolution No. 10/2026 (IV.23.) and in accordance with Sections 7.6 and 7.17 of the Articles of Association.
5. The share capital increase shall take place conditionally upon the date on which the duly executed and legally binding final commitment statement issued on behalf of MEVINVEST regarding the takeover of the shares to be issued by the Company is made available to the Company. MEVINVEST is required to provide the final commitment statement and the amount of the cash contribution to the Company no later than 30 November 2026, in accordance with the terms and conditions set forth in the relevant Board of Directors resolution.
6. From the amount to be provided as part of the share capital increase, the portion corresponding to the nominal value of the shares to be issued will be allocated to the Company's share capital, while the excess amount will be credited to the Company's capital reserve.

7. As a result of the above, the Company's share capital will increase by HUF 99.850.300 from HUF 1,646,793,475 to HUF 1,746,643,775, whereby the number of series "C" ordinary shares remains unchanged at 40,026,239 shares, while an additional 998.503 dematerialised series "D" registered shares will be issued, increasing the total number of issued series "D" shares from 6,461,375 shares to 7,459,878 shares.

8. Pursuant to Section 3:294 (2) of the Civil Code, the Board of Directors amends Sections 4.1 and 4.1.1 of the Company's Articles of Association in accordance with the above provisions in connection with the capital increase, effective as of the date of the takeover of the entirety of the shares and the execution of the final commitment statement—as well as the fulfillment of the obligations contained therein—and adopts the consolidated version of the Company's Articles of Association incorporating these amendments.
