### **on termination of judicial review against final judgment**

Graphisoft Park SE hereby informs its Shareholders, that the Pest County Government Office withdrew its motion for review without explanation, therefore the extraordinary legal review process against the final administrative judgment made on December 12, 2019 ended.

As the Shareholders were informed earlier, the administrative judicial judgement abrogated the order of Pest County Government Office granting an extension to the deadline for environmental remediation on the northern development area and instructed the government office to conduct a new proceeding.

Following the withdrawal of the motion for review submitted against the administrative judicial judgment, the final judgement remained in effect, and the case is remanded to the Pest County Government Office to conduct new proceedings.
